

New Zealand Federation of Meccano Modellers Magazine

New/Renewal Subscriptions

1st March 2024 to 28th February 2025

The NZFMM Magazine is the instrument by which New Zealand Meccano Clubs and Guilds disseminate their local news, events, model plans meeting reports and general business. The Magazine is published four [4] times each year, in the months of May, August, November and February with the May edition being the first of the 2024-2025 'annual'-subscription-cycle. This 'newsy' Magazine is available as a printed hard copy posted and/or as an emailed electronic 'pdf' file to all who are interested in Meccano and its associated ideas and ideals as a hobby/passion within New Zealand and around the World.

To secure receipt of your May edition of the 2024 NZFMM Magazine in a timely manner, and to assist us to accurately assess how many copies of the magazine we need to order from our printers, we request and thank you for the early renewal of your subscription.
